

**Bay Area Services  
Heating & Cooling is  
seeking nominations  
for veterans in need of  
a furnace tune-up!**

**We will be doing FIVE free furnace tune-ups  
this fall for deserving veterans.**

**A furnace tune-up can give homeowners peace of mind to ensure the safety of their equipment, and prevent potential safety hazards. Having a regular tune-up helps increase the efficiency of your furnace, and can help extend the life of your equipment by decreasing the odds of potentially costly repairs.**

Nomination Instructions:

- We are looking for individuals who have served in the U. S. military, reside within a county in our service area (Brown, Calumet, Door, Kewaunee, Manitowoc, Oconto, Outagamie, Shawano, and Winnebago), and would benefit from a furnace tune up.
- The winner will be selected on September 29th, 2017 by the Brown County Veteran's Service Office, please submit nomination before that date to be considered.
- Make sure to include the following information in your nomination:
  - Your name and relationship to the veteran.
  - Veteran's name, contact information, military branch, rank, and their years of service (must have served at least 2 years and honorable discharge).
  - A brief explanation of why they have a need/would benefit from receiving this furnace tune up.
- You can submit a nomination by:
  - Email to: [polus\\_je@co.brown.wi.us](mailto:polus_je@co.brown.wi.us)  
*or*
  - Mail to: Jerry Polus—County Veteran Service Officer  
PO Box 23600  
Green Bay, WI 54305-3600

*Veterans considered must have a forced air system in their home. Must be a natural gas or propane furnace; fuel oil furnaces and mobile home type equipment do not qualify for a free furnace tune-up. Nominations will be accepted by the Brown County Veteran's Service Office until September 29th, 2017.*
