TRANE®

It's Hard To Stop A Trane.®

Veterans considered must have a forced air system in their home. Homes with boilers or electric heat do not qualify for a new forced air system. Employees of Bay Area Services, GA Larson, and Trane are not eligible to participate. The selected home's electrical panel must also be able to accommodate a new circuit for air conditioning. A home visit by a representative of Bay Area Services will be required before final selection of winner.

Nominations will be accepted by the Brown County Veteran's Service Office until October 22, 2018.
